

Special Entrance Examination for International Students

Eligibility:

Applicants must satisfy all the following requirements.

- (1) Applicants must have neither Japanese nationality nor permanent residential status in Japan.
- (2) Applicants must either have completed 12 years of school education outside Japan (including those who are expected to complete them by March 31st, 2021), or meet equivalent conditions specified above and designated by the Ministry of Education, Culture, Sports, Science and Technology (MEXT).
- (3) Applicants must be able to obtain the “Student (*Ryugaku*)” visa mandated by Japanese Immigration Control and Refugee Recognition Act by the time of enrollment.
- (4) Applicants must have an adequate English proficiency to attend lectures in that language.
 - ※ As a reference guideline, it is preferable to have either at least 80 of TOEFL iBT or 6.0 of IELTS.

Special Entrance Examination for Returnee Students & Students of International School

Eligibility:

Applicants, with Japanese nationality or foreign nationals with permanent residential status in Japan, must have an eligibility for the admission to bachelor’s degree program of universities in Japan, and satisfy one of the following requirements.

- (1) Applicants must either have completed 12 years of school education outside Japan (including those who are expected to complete them by March 31st, 2021), or have spent more than 2 years (including the final school year and those who are expected to complete them by March 31st, 2021) and graduated from an overseas Japanese school which is classified as its overseas educational institution by the Ministry of Education, Culture, Sports, Science and Technology (MEXT).
- (2) Applicants must have spent more than 2 years and graduated from a university or college and postgraduate course outside Japan (including those who are expected to complete them by March 31st, 2021).
- (3) Applicants must have spent more than 6 years outside Japan since they turned 6 years of age.
- (4) Applicants must have spent more than 2 years (including the final school year) and graduated from an international school in Japan (including those who are expected to complete them by March 31st, 2021).
 - ※ Those who wish to make an application under the requirement of above (3) need to submit documents which can testify the years of residence abroad. Please contact the Admissions Office immediately if it is difficult to prepare them for some reasons.

Our medical school conducts almost all classes in English until the end of Year 2. However, from Year-3, all classes are conducted in Japanese since you are able to cope with clinical training in Japan and to pass the National Examination for Medical Practitioners in Japan.
