

International University of Health and Welfare, School of Medicine

To applicants for the “Special Entrance Examination for International Students, Returnee Students & Students of International School”

We inform that the following has been decided after the application guideline was published.

- We select the "IUHW Special Medical Scholarship Students" from the “Special Entrance Examination for International Students, Returnee Students and Students of International School”.

From the admission in April 2020, IUHW selects a small number of students who pass the “Special Entrance Examination for International Students, Returnee Students and Students of International School (First Round and Second Round)” as “IUHW Special Medical Scholarship Students” as well as 45 students from the “General Entrance Examination” and 5 students from “Entrance Examination based on the National Center Test”.

* Please refer to the other side of the paper regarding the program of IUHW Special Medical Scholarship Program.

* We keep offering “IUHW Half Scholarship for International Students”.

* We notify the prospective IUHW Medical Scholarship Students at the announcement of the second screening results.

The outline of the Special Medical Scholarship Program for School of Medicine

- **Eligibility** : Applicants who demonstrate both excellent academic achievements in the “General Entrance Examination”, the “Entrance Examination based on the National Center Test”, the “Special Entrance Examination for International Students (First Round and Second Round) and the “Special Entrance Examination for Returnee Students and Students of International School (First Round and Second Round) as well as a good personality and are acknowledged by IUHW. A small number of students.
- **Amount** : First Year; 2.5 million JPY, From Second Year to Six Year; 2.3 million JPY (each year). In addition to this, the admission fee, 1.5 million JPY, will be refunded after the enrollment.
- **Period** : Up to 6 years. However, in principle, we will suspend the scholarship if you fall under the category designated by IUHW such as in the case of receiving disciplinary action or having poor previous year’s grades.
- **Others** : Scholarship students who wish to reside in Narita International House (the dormitory) are preferentially accepted. (The total monthly fee including the rent fee, utility fee, and breakfast and dinner expenses is 55,000 JPY)

IUHW Special Medical Scholarship Program

In order to financially support the education of prospective doctors, IUHW selects, as Medical Scholarship students, those who demonstrate excellent academic achievements in our entrance examinations and also possess a decent personality and insight. IUHW Medical Scholarship students will be provided with up to 14 million JPY over the course of maximum 6 years, exempted from the admission fee of 1.5 million JPY, and given priority for the choice to reside in the dormitory. (The Scholarship will be applied to the academic fees of each year. The admission fee which is paid in the enrollment procedure will be refunded after admission). No application is necessary for this scholarship program. All applicants who take our entrance examinations are eligible.

● IUHW Special Medical Scholarship Program

* When the applicants selected for IUHW Medical Scholarship enter the university, the admission fee will be refunded after enrollment.

* IUHW notifies the prospective IUHW Medical Scholarship Students at the announcement of test results.

● Continuation of eligibility for IUHW Special Medical Scholarship Program

The scholarship payments continue throughout the course term designated by IUHW regulations. However, in principle, the scholarship will be terminated when any of the following cases occur.

- ① In case of repeating a year. *1
- ② In case of transferring to another department.
- ③ In case of receiving disciplinary action designated by IUHW regulations.
- ④ In case of having poor academic results in the previous year. *2
- ⑤ In case the president decides that the continuation of the scholarship is not appropriate.

*1 Except for the case of leave of absence

*2 In case of not being ranked in the top 50 in the department the previous year.

IUHW Medical Scholarship Program for International Students

IUHW will award "Medical Scholarship Program for International Students" to those who have outstanding academic performances¹ as well as strong aspirations to contribute to medical developments of their home countries. There are three types of "Medical Scholarship Program for International Students" and IUHW selects scholarship students throughout the "Special Entrance Examination for International Students" according to the wishes and academic abilities.

● IUHW Medical Scholarship Program for International Students

Types	Amount	Duty period ^{*3}
① IUHW Half Scholarship	Half the amount of the admission fee and tuition fees in 6 years. *4	6 years
② IUHW Full Scholarship ^{*2}	The amount of the admission fee and tuition fees in 6 years ^{*4}	6 years
③ IUHW Gold Scholarship ^{*2}	The amount of the admission fee and tuition fees in 6 years ^{*4} , Dormitory fee, Food expenses [*] , Living expenses ^{*6} , Expenses for learning materials ^{*7}	9 years

* 1 "International students who have outstanding academic performances" are those who must meet the following criteria.

- Those who have an adequate command of English to attend the lectures in that language.
- Those who have outstanding academic ability and are expected to pass the national medical licensure examination in Japan.
- Regarding the scholarship of ①, only those who achieve the outstanding results of the "Special Entrance Examination for International Students". And regarding ② and ③ of scholarships, only those who can prove to have a top level academic performance in the top 1% or so among students of the same age group in their home countries.

* 2 Those who are able to obtain a recommendation by their governments which have a collaborative agreement with IUHW and acknowledged by IUHW are eligible for scholarship of ② and ③. Also those who obtain these scholarship are prohibited to have part time job.

* 3 Those who obtain the "Medical Scholarship Program for International Students" must be involved in duties as medical doctors, for the period specified as the "Duty period" in the table above, at clinical institutions in both Japan and their home countries designated by IUHW after obtaining a Japanese medical license and graduating from the School of Medicine. An initial period of residency training (2 years) after obtaining a medical license will be included in this period.

* 4 Tuition fees include the academic fee and facility & equipment costs.

* 5 Food expenses apply to meals (breakfast and dinner) in the dormitory.

* 6 80,000 JPY will be provided as monthly living expenses.

* 7 The subsidy for expenses for learning materials must be applicable to ones acknowledged by IUHW and, in general, it must be within 300,000 JPY annually.

※ In principle, those who have scholarships above are required to reside in the dormitory and to participate in the clinical training in overseas hospitals designated by IUHW in their first semester of Year 6.

※ The scholarship except living expenses and expenses for learning materials applies to the admission fee, academic fee, dormitory fee and food expenses at the dormitory.
